Learning to Love God and Love our neighbour as ourselves

Luke 10: 25-37

Dear Parents,

What a fantastic few weeks we have had. The children as always have done some fantastic learning.

The Junior Worship leaders came across to the infants and led a worship for the younger pupils which was a great success.

The House Captains and Prefects have been named after a very difficult decision-making process due to their fantastic speeches.

Houses Captains:

- Dahl – Zuzanna and Freddie
- Donaldson – Ellis and Maddie
- Rowling – Charlie and Alisha
- Morpurgo – Erin and Oscar D

Prefects:

- Lilliah, Lily-May, Alex, James, Alexander, Charlotte, Lili, Silver, Jamie-Lea.

Congratulations and well done to you all!

Year 5 Scootability went brilliantly and all the children are now much more aware of how to be safe on their scooters when out and about.

Mini Buses

We are thrilled to announce that mini-buses have arrived!! We are very excited to get them in use and get the children out and about for learning beyond the classroom. The mini-buses will allow us to explore the local area more frequently, offering hands-on learning opportunities and making it easier for children to engage with a range of cultural and educational activities. From field trips to community events, these vehicles will support us in our mission to expand the horizons of our pupils and deepen their cultural capital, ensuring every child benefits from a richer, more diverse education.

Thank you to everyone who attended our coffee morning this morning in aid of MacMillan, donations are still being made so we will confirm the total when we have it. Thank you to everyone who came into school wearing something blue for Unicef last Friday, as a Federation we raised £300!

Year 5 Students Engage with School Leadership on Future Goals

Last week, our Year 5 students had the exciting opportunity to meet with Mrs. Camacho to discuss the future of our school and the Federation. This conversation was especially meaningful as the students had recently been reflecting on their own personal goals for the coming year.

During the session, Mrs. Camacho shared the school's overall goals and highlighted the achievements from the last academic year. The students were not only inspired by the school's progress but were also able to ask thoughtful questions about both past successes and future plans.

It was a wonderful chance for our students to connect their individual aspirations with the broader vision of our school community.
